

Olga Mlynarczykowska

Korean Translator/Interpreter

I am a seasoned translator and interpreter proficient in Polish, English, and Korean. With four years of active experience, I excel at bridging linguistic and cultural gaps. My adeptness extends beyond speech; I possess strong writing skills that ensure clarity and coherence. Having resided in Korea for five years, I've not only mastered the language but also immersed myself in its rich tapestry. This amalgamation of professional expertise and cultural integration empowers me to deliver exceptional translation and interpretation services.

Experience

2019 - 2023

JW Plastic Surgery | 553 Samseong-ro, Seoul, Korea

International Business Coordinator

I specialized in a range of professional services, including the meticulous preparation and skillful translation of website and social media content in both English and Korean. My expertise extends to translating intricate blog articles and crafting compelling marketing copy. Additionally, I excel in the precise translation of medical publications and documents, ensuring accuracy and clarity. Furthermore, I provide proficient interpretation services for consultations and meetings involving foreign patients, esteemed business associates, and influential personalities.

2020 - 2021

Sekonix Polska | Al. Jana Pawla II 71, Zory, Poland

Translator/Interpreter

My proficiency encompasses the translation of intricate technical and business documents in both Korean and Polish. I offered adept interpretation support during Korean board and Polish management and employee meetings, facilitating effective communication. Additionally, I provide seamless interpretation services during engagements with business partners and esteemed visitors from Korea and the Czech Republic. Moreover, I offered valuable assistance during official visits, ensuring smooth interactions.

2018 - 2019

B-Gates English Centre, Ha Long, Vietnam

Kindergarten and Elementary English Teacher

Engaged in a dynamic educational role, I undertook the responsibility of instructing English language skills within the public educational framework of Quang Ninh province in Vietnam. My teaching scope encompassed diverse age groups, spanning from kindergarteners to students in elementary and secondary schools, with class sizes often accommodating up to 40 students.
